

AccuPattern™ Limited Warranty

Barrett Carpet warrants that this carpet's pattern will be at least 99% straight and true before installation (i.e. bow or skew up to 1.5 inches per 12 feet).

General Warranty Details

- **Warranty Coverage**

Barrett Carpet will repair or replace the portion of the carpet that does not perform according to our warranties. If all warranty conditions have been met, Barrett Carpet will compensate the owner pro rata for the original cost of the carpet for the directly affected area and a reasonable installation allowance. Reasonable re-installation costs are limited to \$5 per square yard or \$100 when the area is less than 20 square yards. Any charges for carpet disposal, new padding or moving furniture, equipment, etc. are the responsibility of the owner.

- **Installation**

The carpet must be installed in accordance with the Carpet & Rug Institute standard CRI-104. Seam sealing is mandatory on all installations. Power stretching is mandatory on all stretch-in installations.

Installation of patterned carpets requires more time and expertise than non-patterned carpet. Pattern adjustment during installation is both possible and expected. Always match the pattern by beginning at the midpoint of the seam and working out toward the two seam ends. Appropriate tools for pattern adjustment include: power stretcher, knee kicker, dead man, "dry" lines, stay nails, mini stretcher (crab stretcher).

Maintenance

The carpet must be maintained and cleaned in accordance with Barrett's recommendations as outlined in "Carpet Maintenance Guidelines for Commercial Applications" by The Carpet and Rug Institute. Daily spot cleaning and vacuuming of traffic areas, weekly vacuuming of all areas and periodic steam cleaning are all an integral part of any pre-planned routine and ongoing commercial maintenance program. Do not over-wet the carpet when cleaning. Allow carpet to dry thoroughly before exposing to traffic. When cleaning spots never pour solvents directly on the carpet, apply to a cloth and blot carefully.
